APRIL 2019

Instructions

SafeWork NSW enters into agreements with Registered Training Organisations (RTOs) to deliver asbestos removal and asbestos assessor training (ART) in NSW under the WHS Regulation. RTOs are required to complete a 100 point evidence of identity (EOI) check for each participant immediately prior to commencing training.

The applicant is required to show the RTO delegate original EOI documents that add up to at least 100 points. Within these documents the applicant must be able to show a photo, date of birth (minimum age 14 years), signature and current residential address. It is the RTO's responsibility to ensure that the relevant sections of the EOI form are complete, and to verify the EOI documentation provided.

Other exceptions to the standard EOI requirements are covered by the special arrangements section of this form. Where special arrangements apply, the standard EOI table is not required to be completed, instead section 2 of this form should be filled out.

The record of training (ROT) (last page of this form) is to be completed by applicants who have successfully completed ART. This EOI/ROT form is to be retained by the RTO and may be called upon for review during an audit or in response to a complaint or compliance related issues.

It is an offence under the *Crimes Act 1900* (Crimes Act) and WHS Act to make false or misleading statements on this form, heavy penalties apply.
